Inc. is a tax-exempt 501(c)(3)
charitable organization

Greetings from Children's Dyslexia Center-Central New York

You are receiving this because, in some way, you have been helpful to us by supporting our program and we hope you will continue to do so.

Central New York has completed its fourteenth year helping dyslexic children develop the skills necessary to deal with their reading

challenges. At this past June's Recognition Ceremony, twenty-two children received certificates for the work they had done with their tutors and scholars over the past year. One young man, Trent received the skills that allowed him this year to attain levels equal to or above his grade level. Quite an accomplishment and we are so proud of him for this achievement.

We run several fundraiser to help sustain our program. These include the Teddy Bear Classic Golf Tournament in August, our Annual Walk-a-thon in October, and an annual Gala on the second Saturday in March. We also seek donations through grants and supporters like you.

All monies raised are used to meet our budget.

We have included information for our annual program booklet for the walk. If you took an ad in previous years, we hope you will consider doing so again by filling out the necessary included information. If you are just hearing about us, we would hope you will look at our website or FB page to learn about us. Visit us at Children's Dyslexia Center-Central NY on the Eastern Star Campus in Oriskany, NY during our operating sessions and see how our program works.

**Thank you for your attention and interest
